

Hostas

We strive to have a good selection of hostas since they are such good plants. Feel free to place an order by phone 519-507-5050 or by email davishill@wightman.ca

Hostas that have been started in the greenhouse really hate frost. You can order plants and leave them with us until the weather warms, no problem. All our hostas are in 5.5" pots. Some are cheap and cheerful, others are collectors items.

Albomaringata \$4.99
